

Quotes from Stroke Survivors

My husband and I are so grateful we found this resource and beacon of hope.

–Jodi & Dan Roberts, FL

The wealth of information and insight helps more than I can say.

–Ken Friedman, FL

Valerie's Bcenter encouraged me to have determination and hope.

–Carl Earl Joseph Chavez, Philippines

Her vision is a light of hope to so many stroke survivors.

–Nancy Johnson, FL

Support from a fellow stroke survivor gave me courage to live.

–Erin Morache, CA

Valerie is my stroke Angel. Her stroke education & awareness saved my life.

–Secily Wilson, FL

The Bcenter & Valerie have been a lifeline to my family and me.

–Deidra Johnson, FL

We've learned so much about recovery treatments. It gives us hope.

–Kathy & Michelle Brusseau, FL

What a blessing and light for stroke survivors.

–Sunshine & Bill Waters, FL

I'm so happy the world has Valerie & her Bcenter for stroke. She inspired me not to give up.

–Zina Begalinova, Kazakstan, Russia

Founder Valerie Greene's remarkable recovery from a massive stroke at age 31 has inspired millions of people around the world. Her daily commitment to her fellow survivors includes an unyielding compassion and a determined will to serve those whose lives have been challenged by a stroke.

Champions of Hope... Empowering Stroke Survivors!

Bcenter

Beyond Stroke...

Global Stroke Resource, Inc.
A 501(c)(3) nonprofit organization

Global Stroke Resource, Inc. is a registered 501(c)(3) nonprofit organization in the United States dedicated to bringing hope to stroke survivors worldwide. Founded by stroke survivor Valerie Greene as an outreach for her fellow survivors, it is the first of its kind.

OUR MISSION

We are dedicated to stroke survivors and their caregivers providing treatment resources, hope and direction. Our mission is to educate, empower and light the path to recovery.

OUR CORE VALUES

Compassion, Kindness, Integrity & Faith.

OUR VISION

Our vision is to build a world-class destination that provides innovative concepts for restoration and recovery.

Bcenter is the heart of Global Stroke Resource, Inc. — our parent company. Created as a “Hive of Hope,” our efforts are dedicated to empowering stroke survivors to know they are not alone. Our goal is to help survivors overcome and transform their lives beyond stroke.

What We Do...

- ♥ Motivational and educational seminars
- ♥ Survivor and caregiver support
- ♥ Coaching and mentoring
- ♥ Hospital and rehabilitation visits
- ♥ Hive of Hope Support Group
- ♥ Interactive website resources for worldwide access

Why a Bee & Hive?

In nearly every culture, a bumblebee is a symbol of hope, inspiration & courage, and the beehive symbolizes a community where everyone works together for the whole.

The inspiration came from founder Valerie Greene who was nicknamed “B” as a child by her late father who always told her she could “B” anything she put her mind & heart to, and to NEVER give up!

Why Support Bcenter?

- ♥ Bcenter is the first organization of its kind founded by a stroke survivor providing recovery resources, hope and direction for stroke survivors.
- ♥ Stroke is the leading cause of adult disability.
- ♥ Every two seconds someone, somewhere in the world suffers a stroke.
- ♥ In the United States more than 800,000 people suffer a stroke each year.
- ♥ Stroke affects anyone, at any age.

Receive Tax Deduction

The Internal Revenue Service recognizes Global Stroke Resource, Inc. as Section 501 (c)(3) public charity. Gifts to Global Stroke Resource are tax deductible in the United States of America.

Life is an echo...

What we send out, comes back.

What we sow, we reap.

What we give, we receive.

—Zig Ziglar

Hope changes everything!
